Where?

The image consists of three vertically stacked panels, each enclosed in a dotted border. The word "Where?" is written vertically on the left side of the middle panel. The top panel depicts a landscape with a winding river, a bridge with two diamond-shaped arches, a sun with rays, and a bench on a grassy bank. The middle panel shows a child sitting on a checkered picnic blanket with a picnic basket, surrounded by flowers and clouds. The bottom panel features a house with a chimney, a path leading to it, and trees.
