

Visual Guide to Notebooks

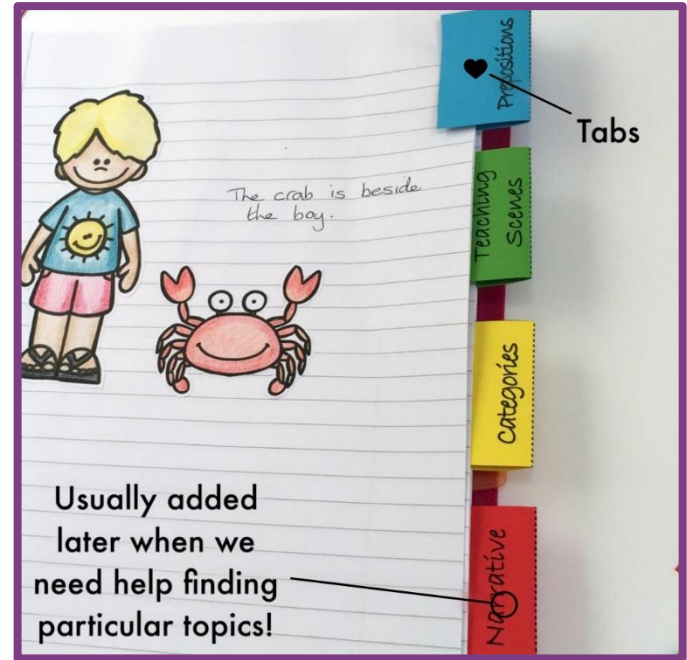

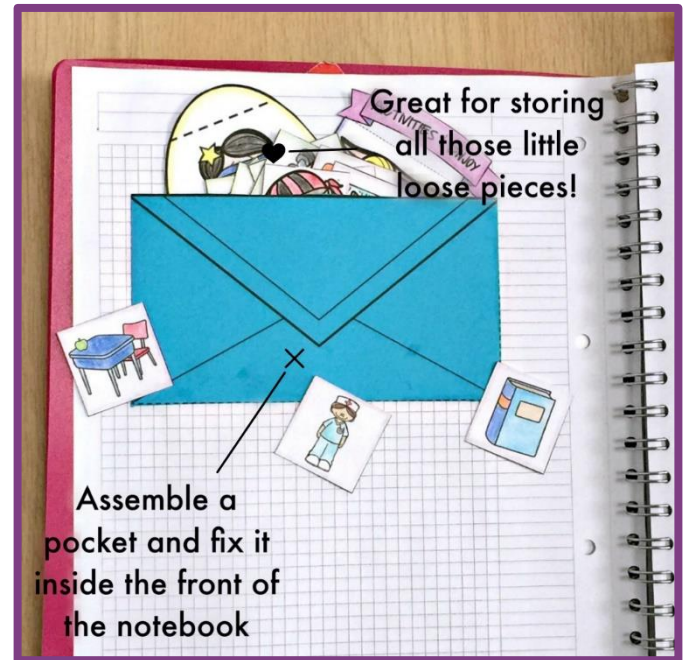

If you've never used notebooks in therapy before, you are in for a treat. Use this photo guide to help familiarize yourself with the construction & suggested uses for your notebooks.

Your student will choose a cover

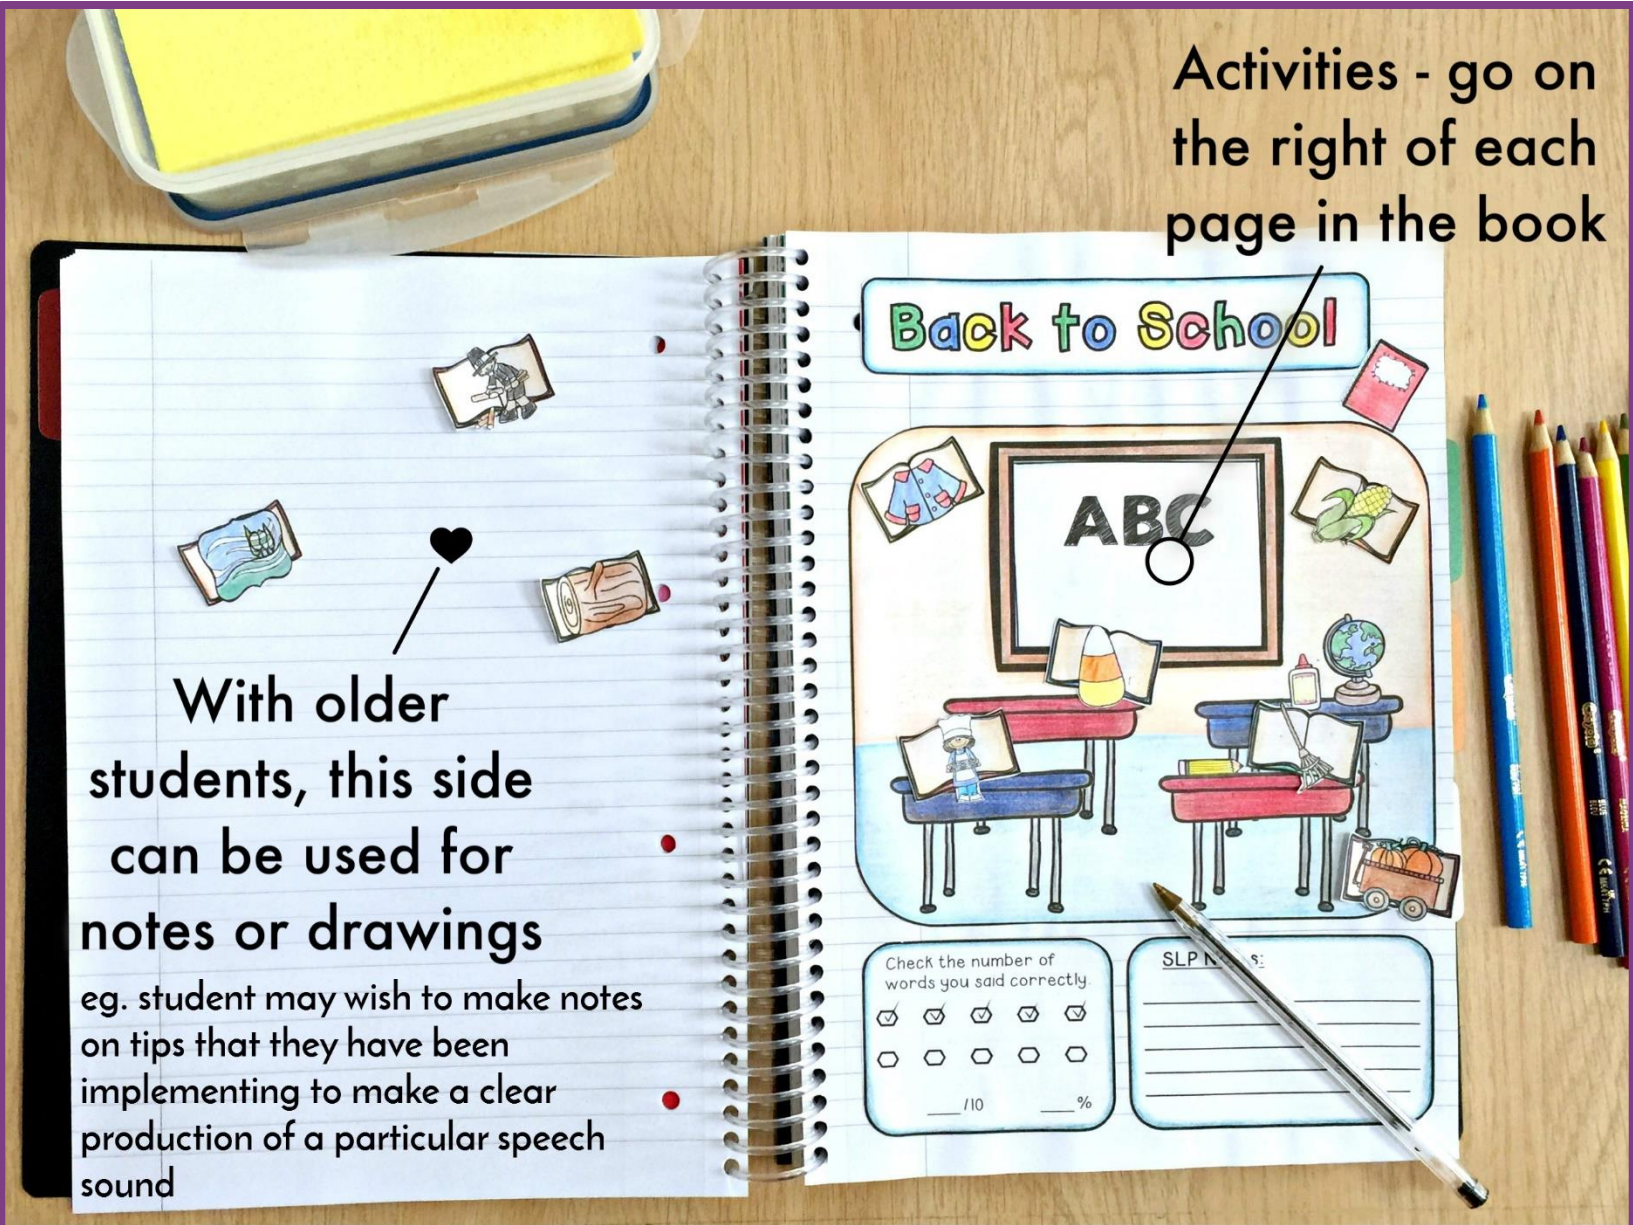

SPEECH
AND
LANGUAGE
NOTEBOOK

They can decide whether or not to personalise with their name

Visual Guide to Notebooks

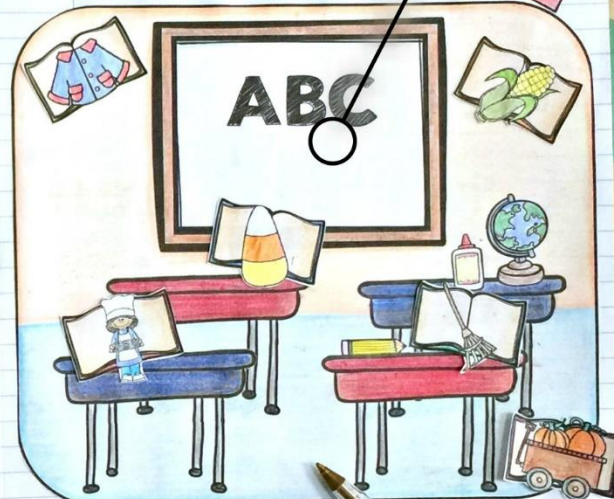

Activities - go on the right of each page in the book

With older students, this side can be used for notes or drawings

eg. student may wish to make notes on tips that they have been implementing to make a clear production of a particular speech sound
