Old McDonald's Farm

This familiar children's song can be used to practice a single vowel or all three vowels in the repeating refrain E-I-E-I-O.

- Construct the notebook page as pictured to create an engaging "lift the flap" activity.
- Cue your student to join in with the relevant part of the target phrase each time it occurs.
- Remember to sing the song, at a reduced rate to facilitate success.

*We have included the first section of the song only in our text. This way you achieve more repeats of the target without losing the attention of a young child.

Old McDonald had a farm.

Old McDonald's Farm Home Practice Activity

Today in Speech we have been having fun with "Old McDonald's Farm"!

This activity gives Ryan opportunities to practice the EI, I, O sound. (just like they sound in the rhyme)

At home, sing the song together and encourage Ryan to join in with the target sound.

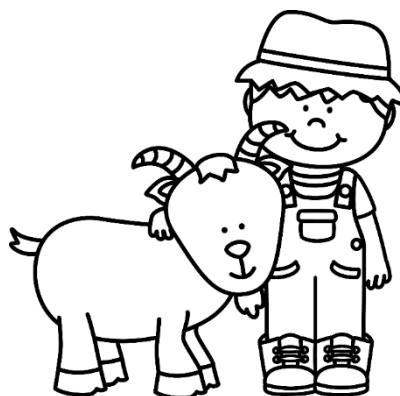

You can also make practice into a play activity using farm yard animal toys!
