

My Super Words

Directions for SLPs

- Use the following pages to send words home for practice.
- Ensure the student is ready to practice these words without SLP help/cues.
- Consider principles of motor learning before setting the frequency and repetitions.
- There are a variety of designs and complexity of notebook pages so that you can choose one suitable for your needs.

In Speech today we have been working on some super words! Take a look at the "super words" page to check out those that are ready for home practice.

_____ is able to say all of these words but we need your help to make it easy.

Many repeats make words easy to say! Please practice like this...

(frequency/repetitions).

Thank you for your superhero help!

"My Super Words" Flaps

1. Glue base page option 1 flat into the notebook.
2. Fold at the dotted line on the flaps found on this page.
3. Apply glue above the dotted line & secure on top of indicated markers on base page.
4. Have your students fill in their answers under the flap.
