PRINTING TIP: All of my resources have been designed for printing on U.S. Letter sized paper (8 ½ x 11 in). If you are printing on a different size, select “shrink to printable area” or “print to fit page” (or a similar option) in order for the contents of this pack to print correctly.

COPYRIGHT: By downloading this resource you have purchased the right to use it for your own personal use either in your classroom or speech room. You may print it as often as you wish for your own students. If you like it enough to share it with friends or colleagues, please ask them to visit the website and download their own copy. For colleagues working on the same site/building, please buy a (very affordable) multi-use license. By doing this you support the development of more materials and keep them low priced and affordable for all.

DISCLAIMER: This pack is produced as a resource intended for use by Speech Language Pathologists or Speech Therapists. They do not replace consultation or treatment provided by a fully qualified / registered / certified clinician. Parents and caregivers who are concerned about their children’s Speech or Language Development should first seek out the services of a qualified professional in your own area.

The following worksheets are a sample from [this pack](#). If you'd like to learn how to use the worksheets to make an Interactive Language Notebook [click here](#).

Here are a few open-ended extension ideas for you to try with your sample pages.
