

This is a reference list of the words used for each articulation sound included in this set.

We suggest laminating the cards for your classroom and storing them on a metal book ring. This allows you to always have a quick and handy target list available.

You may also choose to stick a particular list into your students' notebooks to send home for homework practice.

Word List

/p/

cap
packet
pot
puddle
tulip

Word List

/b/

baby
