

Craftivity Instructions

Make your craftivity and foldable insert using the template pages and instructions on the following pages.

The eight vocabulary images are provided in both color and black line versions.

First, assemble your chimney by sticking a large rectangle and smaller one together.

Then make up Santa's legs by gluing the boot onto the rectangle for the leg and then sticking the white trim on top. Do this for both legs.

Now it's time to stick the legs onto the chimney! Fix them to the back of the chimney as shown above.

And lastly, fix the snow on top of the chimney. Your Christmas chimney is now complete!

How To Make Your Vocabulary Craftivity Booklet

1. If you are using a 24" x 36" piece of paper, you will be able to get 12 (3" x 24") strips – if using a 18" x 24" sheet, you will get 6 (3" x 24") strips. Divide the sheets as shown below:

2. I used an 18" x 24" sheet and cut into 6 (3" x 24") strips.

3. Fold your strip in half, then fold in half again....and fold in half for a third time!
4. When you open out your strip, you should have 7 fold lines. Refold the strip in a concertina style like this:

How To Make Your Vocabulary Craftivity Booklet

5. Cut out your vocabulary craftivity squares.

6. Stick the squares onto the folded strip, allowing 1 square per section between folds (8 altogether).

7. Stick your completed craftivity on as the cover and the back cover template on the back.

8. Enjoy your completed vocabulary craftivity! You may also choose to apply glue to the back cover of your craft and stick it into your student's notebook for safe keeping.

Vocabulary Craftivity

Glue the squares below onto each 'page' of your vocabulary craftivity booklet.
