How To Make Your Vocabulary Craftivity Booklet

1. If you are using a 24" x 36" piece of paper, you will be able to get 12 (3" x 24") strips – if using a 18" x 24" sheet, you will get 6 (3" x 24") strips. Divide the sheets as shown below:

2. I used an 18" x 24" sheet and cut into 6 (3" x 24") strips.

3. Fold your strip in half, then fold in half again....and fold in half for a third time!
4. When you open out your strip, you should have 7 fold lines. Refold the strip in a concertina style like this:

6. Stick the squares onto the folded strip, allowing 1 square per section between folds (8 altogether).

7. Stick your completed craftivity on as the cover and the back cover template on the back.

8. Enjoy your completed vocabulary craftivity! You may also choose to apply glue to the back cover of your craft and stick it into your student's notebook for safe keeping.
