

Craftivity Instructions

Make your craftivity and foldable insert using the template pages and instructions on the following pages.

The eight vocabulary images are provided in both color and black line versions.

First, bring your pilgrim to life by adding your eyes, nose and mouth to the face circle.

Then add the collar by gluing the small arc onto the second largest arc.

Next, give your pilgrim some hair. Fix the two oval shapes on top of her head to look like hair.

And lastly, make up her hat by fixing the two remaining arcs together as shown above and attaching it on top of her hair.

How To Make Your Vocabulary Craftivity Booklet

1. If you are using a 24" x 36" piece of paper, you will be able to get 12 (3" x 24") strips – if using a 18" x 24" sheet, you will get 6 (3" x 24") strips. Divide the sheets as shown below:

2. I used an 18" x 24" sheet and cut into 6 (3" x 24") strips.

3. Fold your strip in half, then fold in half again....and fold in half for a third time!
4. When you open out your strip, you should have 7 fold lines. Refold the strip in a concertina style like this:

5. Cut out your vocabulary craftivity squares.

6. Stick the squares onto the folded strip, allowing 1 square per section between folds (8 altogether).

7. Stick your completed craftivity on as the cover and the back cover template on the back.

8. Enjoy your completed vocabulary craftivity! You may also choose to apply glue to the back cover of your craft and stick it into your student's notebook for safe keeping.
