

Mini Books

The mini book pages are included in color and blackline options.

Make them up into a foldable using the instructions on the following pages.

There are also 2 alternative Uses for the mini book page;

- 1) Cut the sections apart into 8 individual cards and punch in the corner. Place a ring through the corner to keep them as a set and send for home practice.
- 2) Enlarge the sheet on your photocopier to double size. Cut the sections apart into 8 cards. Then display themed vocabulary on your word wall or display board.

How To Make Your Mini-Books

1. Cut along the outer edges of the mini-book.

2. Fold in half along the long edge.

3. Unfold and fold again along the short edge.

4. Unfold and make creases in the other two vertical edges.

How To Make Your Mini-Books

5. Cut a small slit in the middle of the page along the dotted line.

6. Holding each end, push the pages together until you see a diamond shape opening through the slit.

7. Push the ends in further until the pages create a plus sign.

8. Fold in half and enjoy your mini-book!
