You are provided with materials to cover 24 sound targets!

LANGUAGE

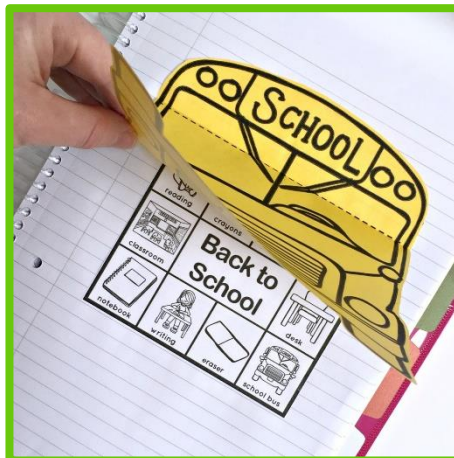

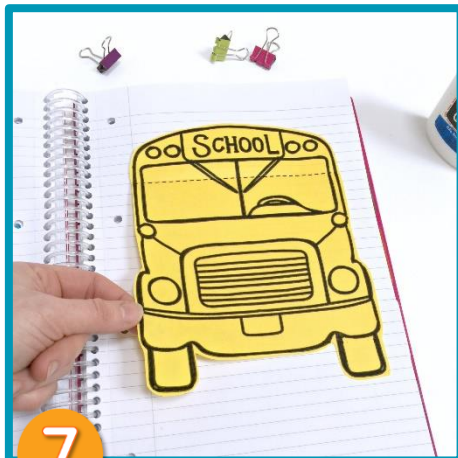

The materials found here provide an easy way to differentiate for SLPs to manage the varying goals and abilities of your mixed language groups whilst making a week by week record of material covered to use as evidence for administration or as easy recap and revision for your students.

Interactive Language Notebooks

Preschool Language Notebooks

Easy cut, low prep templates and target inserts create AMAZING interactive notebook pages with minimal prep and fuss!

ACTIVITIES BY THEME

Select this category on the [Home Page](#) to easily find the materials you need to plan therapy around a theme.

Take a look through our selection of themed resources and select those that work best with your planning or perhaps with themes used by classroom teachers.

This month choose from popular themes such as **Back to School**, **Fall**, **My Five Senses** and more!

HELP US TO HELP YOU!

We all know that finding that perfect resource to fit everyone on your caseload can be quite tedious, and that's what this Club is all about.

Our goal is to take on that task for you so all your days (even the trying ones!) can be as easy going and stress-free as possible.

We'd love to hear your comments and feedback on how we can make **YOUR** life easier.

Maybe you've used an activity that you really like, but wished it had a little something more...we may be able to help.

Perhaps you can't find any activity to cover a specific goal you are working on...we want to hear about it.

Found an activity that you absolutely love? Of course we want to know! In all honesty, that is what keeps us going!
