

# Mini BOOKS

The mini book page is included in color and black line options.

Make them up into a foldable using the instructions on the following pages.

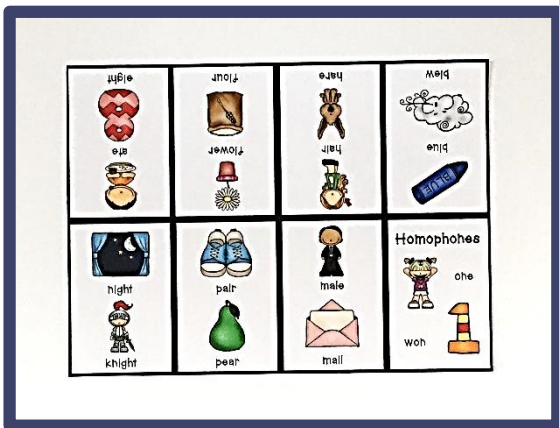

There are also 2 alternative Uses for the mini book page;

- 1) Cut the sections apart into 8 individual cards and punch in the corner. Place a ring through the corner to keep them as a set and send for home practice.
- 2) Enlarge the sheet on your photocopier to double size. Cut the sections apart into 8 cards. Then display cards on your word wall or display board.

# HOW TO MAKE YOUR Mini-BOOKS

1. Cut along the outer edges of the mini-book.

2. Fold in half along the long edge.

3. Unfold and fold again along the short edge.

4. Unfold and make creases in the other two vertical edges.

## HOW TO MAKE YOUR Mini-BOOKS

5. Cut a small slit in the middle of the page along the dotted line.

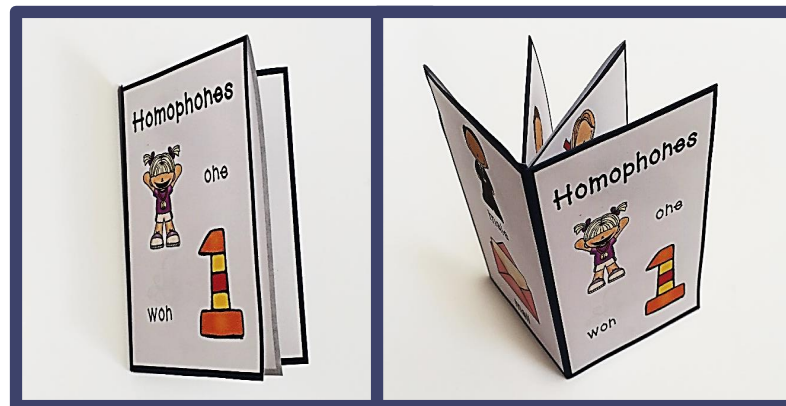

7. Push the ends in further until the pages create a plus sign.

6. Holding each end, push the pages together until you see a diamond shape opening through the slit.

8. Fold in half with the cover facing you and enjoy your mini-book!
