

Find something we wear.

Find something we eat.

Find something we drink.

Find something that grows.

Find something that shines.

Find something we play with.

Find something we read.

Find someone who cries.

Find something we live in.

Find something we hug.

Find something we color with.

Find something that has leaves.

Find something we wear on our head.

Find something we wear on our feet.

Find something we drink when it's hot.

Find something we eat for a treat.

Find something that shines at night.

Find something you play with outside.
