

Story 1

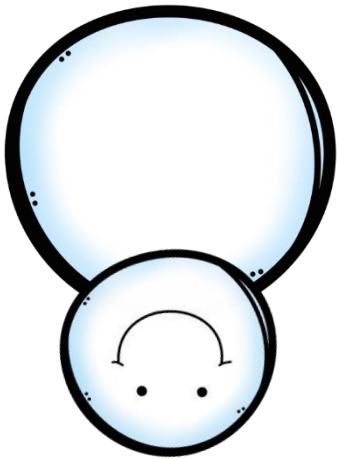

# Let's Build a Snowman

What do we need to build a snowman?

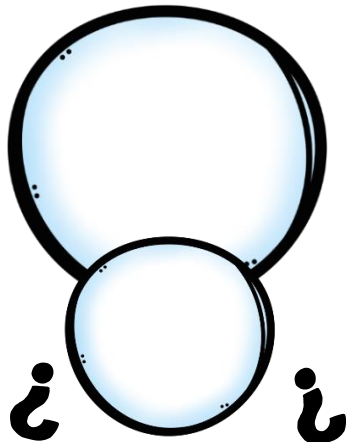

1. First, we need to roll the snow to make his body.  
**A big ball.**
2. Next, we roll a smaller ball. What is this for?  
**His head.**
3. Let's think. What is next?  
**Eyes and mouth.**
4. Our snowman has a body, a head, two eyes and a mouth.  
What's missing?  
**No nose!**
5. Now he needs some clothes. Give him a scarf, two buttons,  
and a hat. What are the sticks for?  
**Two arms.**
6. Now our snowman is finished. He is ready to play.  
**Come and see.**

No nose!

Eyes and  
mouth.

His head.

A big ball.

Two arms.

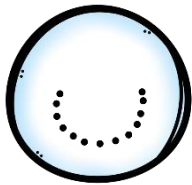

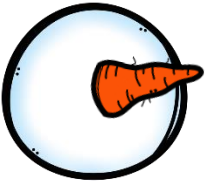

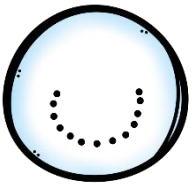

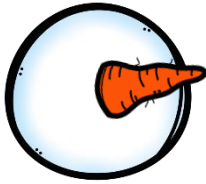

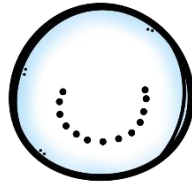

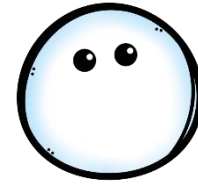

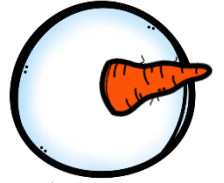

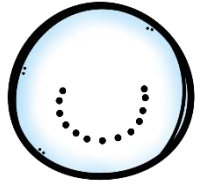

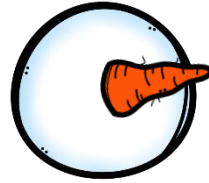

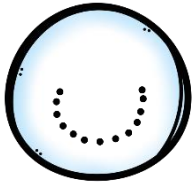

Come and see.

The  
End

Let's Build a  
Snowman

Touch each item on the track with your finger as you say the target words.

**Drill Targets**  
Eyes  
Mouth  
Nose
