

APRAXIA

Whether you are seeing your students in person, virtually, or are challenged by mixed groups, your membership contains so many materials to address Apraxia of Speech you will find something for everyone on your caseload!

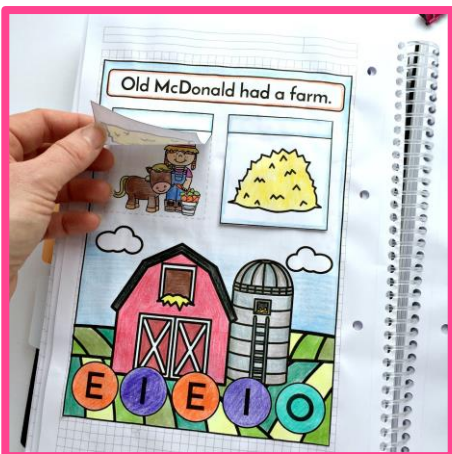

❖ Printable Apraxia Activities

These interactive Apraxia of Speech Activities are a creative and engaging way to elicit multiple repetitions of targets (including Apraxia phrases) in speech and language therapy.

❖ BOOM! Cards for Apraxia

These colorful BOOM Card decks will keep your students engaged and thrilled to learn! Interactive activities with moveable pieces help to teach basic language concepts and give your kiddos instant gratification for correct answers.

❖ Apraxia Notebooks

Students create a week by week project to be proud of yet at the same time, have plenty of opportunity for drilling their target words or phrases.
